# EXECUTIVE SUMMARY

Superstore is rapidly growing and we are pleased to announce that we will be opening a new store location, offering select high demand products. Our analysis of the business' performance will help us determine:

1. The region and cities which we should open new store.
2. The customer segments to focus on.
3. The product offerings we will make available at the new store.
4. Our sales and marketing strategy to combat seasonal sales trends.
